

Secret Pal Gifts

Each Winter Comp Season, the dance team will draw names and each dancer will be given a secret pal. The tradition of the Kolleens is to decorate the item with puff paints and to glam up the item being given. To help with this fun tradition each year we are publishing now the items your dancer will need to buy for their secret pal to help with planning. For some of the meets, the dancers will just do a snack, drink and note(i.e. Have a great night, You are a great dancer, etc.). If your dancer has any questions, please have them ask the coaches or Captains throughout the season! Puff paints can be purchased at Michaels or online!
